## Strachauer Park A Neighborhood Roadway Improvements

Dear Resident:

CenterPoint Energy's crews are working on gas main and service upgrades throughout Stage I. Questions or concerns regarding CenterPoint's work should be directed to CenterPoint Energy customer service.

Crews began installing sump drain pipes on Ewing Avenue (see photo below) and will continue to do so next week.

Crews will also begin grading the roadway on Ewing Avenue once all of the utility work is completed.

Please routinely check your front door for time-sensitive notices for water shut-offs, driveway access, etc.

All schedules are weather-dependent and are subject to change.

Starting next week, I will be taking over for Derek Northenscold as City representative for this project. Please direct any comments or questions related to the project to me.
